

Business Purpose Licensing Survey: 5+ Properties

This handy tool shows states in which a lender or a broker license is required to close a loan in that state. This creates more opportunities for mortgage brokers to originate loans in states they are not licensed in. Champions Funding is permitted to fund loans in most states. Refer to the “Lender Licensing Required” column below.

State	Lender Licensing Required	Broker Licensing Required	Loan Originator License Required	Must Close & Vest Entity if Lender OR Broker Not Licensed	Prepay Allowed Program Permitted in this State
