Please provide as much of the requested information as possible to help us verify the request. We will only use the information received in a request for the purposes of responding to the request.

California law permits California consumers to use an authorized agent to make privacy rights requests. We require the authorized agent to provide us with proof of the California consumer's written permission (for example, a power of attorney) that shows the authorized agent has the authority to submit a request for the California consumer. An authorized agent must follow the process described below to make a request. The authorized agent must also verify his/her own identity.
